

SERVICE PROFILE

ERP Services

One partner across every major ERP platform used in the GCC.

What we deliver

01

Dynamics 365 Finance & Operations

We bring enterprise-scale Dynamics 365 Finance & Operations expertise built across 14+ years of deployments, handling complex multi-company finance, supply chain and manufacturing scenarios.

02

Dynamics 365 Business Central

Our team has specialised in Microsoft Dynamics 365 Business Central for 14+ years, covering everything from core finance and inventory to industry-specific extensions like retail.

03

Odoo ERP

With 14+ years implementing Odoo across the GCC, our team configures and extends every core module — sales, inventory, accounting, HR and manufacturing — into a single system built around how your business actually runs.

04

Oracle ERP

Our consultants bring 14+ years of hands-on Oracle ERP delivery, from financials and supply chain to complex multi-entity deployments, backed by deep platform expertise and enterprise-grade implementation discipline.

05

SAP ERP

We've delivered SAP implementations and upgrades for 14+ years, covering core finance, logistics and production modules with the rigor large enterprises expect from an SAP rollout.

06

TallyPrime

With 14+ years supporting TallyPrime across Saudi businesses, we handle everything from initial setup and data migration to ZATCA-compliant customisation and ongoing support.

07

Zoho ERP

Our team has 14+ years of experience configuring Zoho's business application suite, connecting sales, finance and operations into one lightweight, cost-effective ERP platform.

ISO CERTIFICATIONS

Selected engagements

Prince Sultan Defense Studies & Research Center

A complete Microsoft Dynamics migration, then end-to-end infrastructure. The Center chose GoAgile to lead its migration to Microsoft Dynamics. GoAgile now manages its IT infrastructure as well.

Ministry of Health

ERP finance and operations support for a large public-sector environment. The Ministry worked with GoAgile on its ERP finance and operations systems, with expert consulting and hands-on support.

SaudiBio

Business Central migration and infrastructure ownership. SaudiBio moved to Microsoft Dynamics 365 Business Central with GoAgile, and handed its on-premises infrastructure to the same team.

Pannesma Co. Ltd.

Oracle E-Business Suite 12 managed, then moved to Oracle Fusion. Pannesma relied on Oracle E-Business Suite 12 to run its business. GoAgile took responsibility for the platform, then moved the organization to Oracle Fusion.
